**INDEPENDENT AUDITOR'S REPORT
To the Board of Directors of TEKAL S.A
Report on the Financial Statements**

Opinion

We have audited the attached financial statements of « **TEKAL S.A**». **(the Company)**, which comprise of the Balance Sheet as at 31 December 2020, the Profit and Loss Account Statement, Changes in equity and Cash flows for the year then ended, as well as a summary of significant accounting principles and methods and other explanatory information. In our opinion, the attached financial statements give a true and fair view of the financial position of the above Company as of 31 December 2020, of its financial performance and cash flow for the year then ended in accordance to the Greek standards.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing, incorporated into Greek Law. Our responsibilities under those standards, are further described in the paragraph of our report "Auditor's Responsibilities for the Auditing of Financial Statements. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants as incorporated in the Greek Legislation and ethical requirements relating to the audit of financial statements in Greece and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility for the Financial Statements

The Management of the company has the responsibility for the preparation and fair presentation of the financial statements in accordance to the Greek standards as well as for those internal controls which the management determines as necessary for the preparation of financial statements free of material misstatement due to either fraud or error.

In preparing the financial statements, the management is responsible for assessing the Company's ability to continue operating, disclosing where relevant the matters relating to the continuing activity and the use of the accounting basis of the continuing activity, if the management either intends to liquidate the Company or to discontinue its activity or has no other realistic alternative than to proceed with these actions.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of

assurance, but is not a guarantee that an audit conducted in accordance with ISAs, incorporated into Greek Law will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, incorporated into Greek Law, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the corporate financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Collect sufficient and appropriate audit evidence about the financial information of entities to express an opinion on corporate financial statements. We are responsible for the guidance, the supervision and the execution of the audit of the Company. We remain solely responsible for our audit opinion.

Among other issues, we notify to the management, the planned scope and timing of the audit, as well as significant audit findings, including any significant deficiencies in internal control that we detect during our audit.
